Re: Check Received

Dear Mr. Rangel:

Thank you for your prompt recovery of our \$4,000.00 in unclaimed property. I was pleased with how quickly your agency recovered the funds and how easy the process was to make our claim. This money was unknowingly turned over to the state as "unclaimed" and we were unaware that the funds were sitting there. Unclaimed Recoveries alerted us that these funds were available and recovered them swiftly.

I would highly recommend your company and suggest that other businesses utilize your services to recoup funds that are rightfully theirs! Thanks again for your help with this matter.

Sincerely,
