Dear Debra,

I would like to take this time to personally thank you for the continued work that you put in on behalf of us. I am certain that without your tenacity on this matter we would not have been able to recover the \$18,892.00 performance bond that was being held our local government office. Although the process took a bit longer than we had hoped, you continued to show persistence, courtesy, and professionalism throughout. I would undoubtedly recommend your services to anyone and would enter into another agreement immediately if you come across anymore "unclaimed" funds owed to us. Thank you again for your attention on this matter and I wish the very best of luck on your future endeavors.

Thank you for all your help

Sincerely,

Juanita Lopez
Vice President
