To whom it may concern,

Re: Unclaimed Recoveries, LLC

Debra Blasko of Unclaimed Recoveries, LLC found us some money and it only took three weeks for us to receive the check.

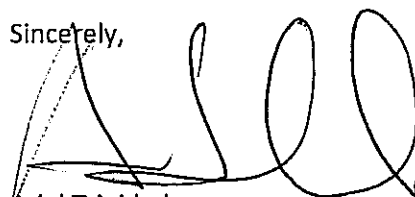

I started receiving phone calls from Unclaimed Recoveries this last February. I have been ignoring the phone messages that I get because I was so busy and had no idea of what Unclaimed Recoveries would do for us. Finally, Debra got a hold of me and she was able to convince me that there is money out there that is due to us and she could help us to get it for us.

I signed our agreement the end of March of this year and in about two weeks we received a check from the City that owes us the money. It was found money for us. We did send out their fee which is very fair and reasonable.

We are very happy with the result and we highly recommend Unclaimed Recoveries to help you get the money that you don't even know that is owed to you.

Please feel free to call me if you have any other questions.

Sincerely,
