Re: Claim Recovery

Dear Ms. Grayson,

What a pleasure it was to work with you and your staff in processing our claim from the City of Laredo. We appreciate your thoroughness, efficiency, expertise and kindness as we recovered the monies due our company.

Just after Unclaimed Recoveries, LLC initially contacted us about the claim, another asset recovery agency contacted us, but their fee was significantly higher. We are very grateful to know ***we can recover more funds with Unclaimed Recoveries, LLC*** than we would with another agency.

I highly recommend your services to any company with unclaimed funds due them.

Sincerely,

Kelley Foster
