TO WHOM IT MAY CONCERN:

Unclaimed Recoveries LLC helped us claim our property that we had no idea of its existence. It took only a month to receive a refund check from the government office after we provided a POA to Unclaimed Recoveries LLC. During that period, Chris Thompson, Customer Service Representative, was very courteous and updated the refund status timely. It was a wonderful experience to have an unexpected check so quickly! I strongly recommend Unclaimed Recoveries LLC to other companies.

Sincerely,
